

Advanced Technology. Simple Solutions.

800A SINGLE-PHASE CAMPGROUND DISTRIBUTION CENTER

CGA1-800- CT

The CGA1-800-240-CT campground distribution center is a free-standing, all-encompassing, pad-mount enclosure used primarily for power distribution in campgrounds. Factory-installed secondary lugs enable ease of cable connection for larger wire sizes. The weatherproof design is ideal for outdoor use. Standard PC113 Parks Green powder coat paint provides a durable finish.
