# MODULAR RV PEDESTAL HEAD

## CPH15105

The CPH15105 RV pedestal head comes complete with receptacles and breakers, with a padlockable self-closing cover. The 16GA galvanized steel body construction offers additional corrosion resistance. Standard PC101 grey powder coat paint provides a durable finish. The Type 3R weatherproof design can be used in both indoor and outdoor applications.

May not be exactly as shown
