

Advanced Technology. Simple Solutions.

WALL-MOUNT RV OUTLET BOX WITH WHILE-IN-USE COVER

EPRF

The EPRF wall-mount outlet box is a convenient and economical compact design for campground and other rail mount applications where external mounting is used. The galvanized steel body construction provides additional corrosion resistance and the screw-on front weatherproof cover enables easy installation. Multiple breaker, receptacle, and mounting configurations allow for ease of use in many applications. The Type 3R weatherproof design can be used in both indoor and outdoor applications.

Features / Specifications

- Galvanized steel construction
- CSA Type 3R rated
- PC 101 Grey powder coat finish
- 14 in (H) x 11 in (W) x 6 in (D) enclosure
- 15/20A receptacles come with while-in-use covers
- Raised mounting dimples on rear
- 10kAIR magnetic breaker protection
- Ground lug

Options

- Additional receptacle configurations
- 48-in. galvanized mounting stake (EPR-S)
- Custom powder coat colours
