

Advanced Technology. Simple Solutions.

PARKING LOT PEDESTAL WITH 45 DEGREE SLOPE

EVE-SR

This family of parking lot pedestals are a convenient way to distribute power in parking lot applications. The galvanized steel body construction provides additional corrosion resistance. Multiple mini-breaker, receptacle and mounting configurations allows for ease of use for many applications.

Features/Specifications

- Galvanized steel construction
- CSA Type 3R rated
- Weatherproof cover (per 2015 CEC)
- 30" high, for mounting on solid bases
- Padmount base standard
- Commercial grade receptacles
- Mini breaker protection where required
- 45 degree angle receptacle(s)
- PC 101 Grey powder coat finish
- Ground lug

Optional Items

- Template and 4 anchor bolts, nuts & washers (P/N: PAB-EVE)
- Cast weatherproof covers
- Direct burial spade (add -DB to end of standard base part number)
- Marine grade aluminum construction
- Custom heights
- Custom powder coat colours
