# SHORT IPLC PARKING LOT PEDESTAL WITH 45-DEGREE SLOPE

## EVES-SR-IPLC

This family of parking lot pedestals is a convenient way to distribute power in parking lot applications using the IPLC parking lot controller. The galvanized steel body construction provides additional corrosion resistance.

### Features / Specifications

- Galvanized steel construction
- CSA Type 3R rated
- Weatherproof cover (per 2015 CEC)
- 12-in. high, for mounting on raised bases
- Pad-mount base standard
- IPLC parking lot controllers
- Mini-breaker protection where required
- 45-degree-angle receptacles

### Options

- Template and 4 anchor bolts, nuts, and washers (P/N: PAB-EVE)
- Direct burial spade (add -DB to end of standard base part number)
- Marine-grade aluminum construction
- Custom powder coat colors
