HIGHWAY METER CABINET AND SERVICE PANEL HWYSMC12

The HWYSMC12 Combination Meter Cabinet and Service Panel is a pole-mount enclosure that includes a meter, service entrance rated main breaker panel, and an electrical device compartment. The padlockable flip-up cover enables easy access to the meterbase, while the breaker panel is accessed via a hinged door with padlockable handle. A Type 3R rating and stainless steel construction offer additional protection.

Features / Specifications

- 304 stainless steel construction
- Service entrance rated
- CSA Type 3R rated
- Overhead or underground service applications
- Hand-Off-Auto photocell bypass switch
- Lock-out tab on main breaker
- Mounting hardware and conduit fittings included
