

Advanced Technology. Simple Solutions.

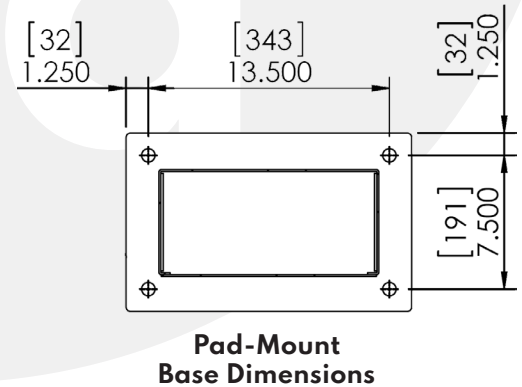

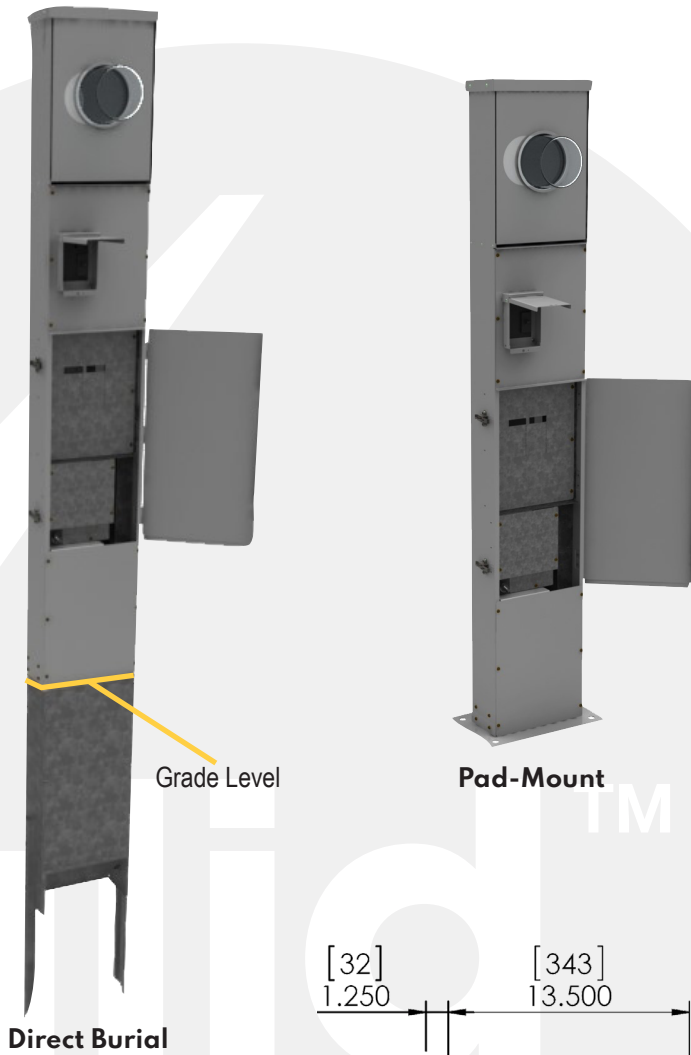

MHPED WITH MO2-V METER BASE

Features / Specifications

- Galvanized steel construction
- CSA Type 3R rated
- Service entrance rated
- Designed for hot metered service
- Padlockable main breaker cover
- MO2-V meter base
- 50A - 200A 2P main breaker
- 10kAIC rated
- 120/240VAC
- Single-phase 3 wire
- Ground bar
- Optional 8 or 12 cct breaker panel
- Optional lighting contactors with photocell
- 28-in. ground stakes on direct burial
- PC101 Grey powder coat finish

Options

- Custom powder coat colours
- Cold metered service
- Three-phase service
- Template and 4 anchor bolts, nuts, and washers (P/N: PAB-MHPED200)
