

Advanced Technology. Simple Solutions.

BACK TO BACK PAD MOUNT PREMIUM CAMPGROUND PEDESTAL

PRVD

This is the back to back design in our premium power pedestal line. Robust aluminum construction and stainless steel hardware provides superior corrosion protection. Extra space enables easier termination and the standard LED light on the faceplate provides light where it is needed. The back-to-back configuration provides power to adjacent sites. The cover acts as a shield, providing a downlight when closed.

Features/Specifications

- Marine grade aluminum construction
- CSA Type 3R rated
- Loop feed power termination lugs
- Back to back configuration
- 10kAIR branch rated breaker protection
- Built in LED illumination
- Stainless steel exterior hardware
